We are looking for local crafters and knitters to get involved with our **Eco friendly Christmas Tree project** in Scariff Library. We are hoping to build a crochet Christmas tree this year, we already have our craft group working hard, but we want the community to get involved. We need people to knit or crochet 6inch granny squares in any shade of green that they want and drop them into the library. The tree will be assembled in December and its size will depend on how many squares we get! So the more the bigger!!
