Reflection:

The word of God is spoken in the human words of many people, in kindly words, in forgiving and tolerant words, and also in the word of God spoken in the Mass, Jesus speaks to us today. We are called to speak his word in our way of life: to be friends of the earth, friends of all people, and friends of the poor. Lord, give us a love for your words, grant that we may make them part of our lives.
